Special Res Publica Nowa issue „Are we East or West?”

2010-2011

Central European Dictionary of Political Concepts

Central Europe as City

In this issue:

The culture of Central Eastern Europe was influenced by the cities or by the small towns? What constitutes the Central European cities and towns? Who takes responsibility of the cities and towns in this region and who makes the decisions crucial for their development? What about communities in minority that make cities alive?

Excellent graphics and food for thought
